

Kindergarten Reading: Littering

We should not litter. It can do so much damage to our environment. We should pick up our rubbish and make sure we put it in bins. We can also recycle our rubbish!

Kindergarten Reading: Littering

In the park there is a lot of rubbish on the ground. People leave it behind.

If we don't clean it up, the park will be dirty! Plants won't grow and animals will not come back.

Kindergarten Reading: Littering

There is a lot of rubbish at the beach.
It comes from the sea.

If we don't clean it up, fish and other
animals can get very sick. It pollutes
the water. We need to clean it up.

Kindergarten Reading: Littering

Do not litter! Clean up your mess. It will help our environment.

If we clean up, our planet Earth will be a better place. All we need to do is be more aware.
