The weather is getting warmer, so we should plant some seeds!

The seeds will grow into flowers. We need to make sure they get enough water!

Flowers are so beautiful and colourful.

Butterflies love flowers! We can always find them nearby.

Butterflies can have different colours and patterns.

They love Spring. They will fly about when it is nice and sunny.

Spring is beautiful. The leaves grow on trees, making them green again!

The sky is clear so we can see the mountains.

I love Spring! It is one of my favourite seasons of the year.
